

## inducton shrinking fit for 2 shells

United Induction Heating Machine Limited

We are experienced in Induction Heating, induction heating machine, Induction Heating equipment. They are widely used in induction heating service, induction heat treatment, induction brazing, induction hardening, induction welding, induction forging, induction quenching, induction soldering, induction melting and induction surface treatment applications  
<http://www.uihm.com>

induction heating is a very good method for shrinking fit work, quick speed, none-contact, environmental protected.

shrinking fit for 2 shells
